Letters of support

Italian Society of Parasitology

Il Ministro della Salute

Prot. 7533/BL/SPM

Roma, 3 AGO. 2017

The Italian Ministry of Health supports the candidature of the Italian Society of Parasitology (SOIPA) to organize the XV edition of the International Congress of Parasitologists to be held in Sorrento (Naples) in 2022.

Italy has a strong tradition in Parasitology since the first studies in malariology and the first edition of the International Congress of Parasitology was organized in Rome in 1964.

Thanks to the expected high number of participants, the present candidature will be a unique opportunity for promoting research cooperation among countries and Italian culture.
